MOVING INTO CHANGE

We are excited to announce we are moving to a new location on Monday, July 30. Our partner, Texas Oncology, is merging their two Fort Worth locations into one central building at 500 S Henderson Street, Fort Worth, Texas, 76104.

Texas Oncology has been gracious enough to invite us to join them there and has provided us a room to continue treatment services. We will stop seeing clients at our current 8th Ave location on Friday, July 27.

We will be located on the second floor. Exiting the elevators, go through the doors leading to the reception area.

If the door is closed and/or still being occupied, please wait in the waiting room by reception and your therapist will come find you.

There is a parking garage that is currently free, but in the future will need validation, and there is a free valet service available to patients that may be validated at reception.

Please let us know if you have any trouble finding our new location. We look forward to seeing you in our new home with Texas Oncology!

BAND TOGETHER WITH SHINE

Join us at our first annual "Band Together With Shine" at Shipping and Receiving in Fort Worth on Sunday, October 7 from 4 p.m. to 7 p.m. for our kickoff fundraising event.

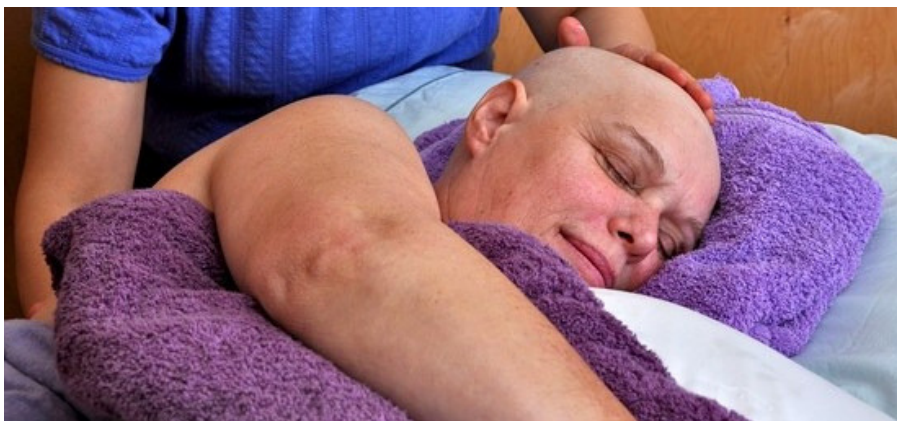

Bring your family and your fur friends for live music, food, a silent auction, and activities for a fun, family friendly night of giving back.

As a non-profit organization, Shine Therapy is dedicated to serving the underprivileged, underfunded and patients who are unable to afford a healing process that is now known to "return the shine back into a cancer patient's eyes".

Band Together With Shine will feature local bands, local vendors,

and invites you to join us in our groundbreaking fundraising event that will help alleviate expenses for the following year.

Shipping and Receiving is located at 201 S Calhoun Street, Fort Worth. For information about tickets, bands and vendors contact info@shinetherapy.org

My massages are good for my body and soul and since Shine Therapy specializes in cancer care, I can relax and know that I'm in good hands.
